Response to Question 9:

Endeavor respectfully requests streamlined processing of this Application pursuant to Section 63.12 of the Commission's Rules. 47 C.F.R. 63.12. This Application qualifies for streamlined processing for the following reasons:

- (1) Endeavor is not affiliated with a foreign carrier on any route for which authority is sought;
- (2) Endeavor is not affiliated with any dominant U.S. carrier whose international switched or private lines services it seeks to resell; and
- (3) Endeavor is not requesting authority to provide switched service over private lines to countries not previously authorized for service by the Commission.

Response to Question 11:

Endeavor is not a foreign carrier, nor is it affiliated (as defined in 47 C.F.R. § 63.09(e)) with a foreign carrier. Consequently, Endeavor is categorically excluded from obtaining certifications required by Section 63.18(i) through (m).

Response to Question 12:

As evidenced by the certification attached to the Application as Attachment A, (1) Endeavor is not affiliated or otherwise related to any foreign carrier on any of the routes which Endeavor proposes to provide service in this Application; (2) Endeavor is

not a foreign carrier and is not affiliated with a foreign carrier on any of the routes it proposes to resell international telecommunications service; (3) Endeavor is not affiliated with any foreign carrier on any of the routes it proposes to provide services. Therefore, Endeavor does not seek to provide international telecommunications service to any destination where:

- (1) Endeavor is a foreign carrier in that country;
- (2) Endeavor controls a foreign carrier in that country;
- (3) any entity that owns more than a 25% interest in Endeavor, or controls Endeavor, controls a foreign carrier in that country; or
- (4) two or more parties own, in the aggregate, more than 25% of Endeavor and are parties to, or the beneficiaries of, a contractual relationship that affects the provision or marketing of international basic telecommunications services in the United States.
